

Substance Abuse Treatment Locator

Information Current as of 2/17/2010

The Central Naugatuck Valley Regional Action Council is proud to present this listing of substance abuse treatment centers to all of the stakeholders living with in the twelve towns we serve including: Beacon Falls, Bethlehem, Cheshire Middlebury, Naugatuck, Prospect, Southbury, Thomaston, Waterbury, Watertown, , Wolcott and Woodbury. Our purpose in creating this guide is to deliver a hard copy booklet of the most current and up to date contact information for treatment centers so that when someone is ready to ask for help, or is trying to help a loved one they will know where to go and who to call.

This guide is by no means a comprehensive list of all of the treatment centers located in the State of Connecticut. This listing is of the treatment centers that we have personally visited and that we think may be utilized by the people living in our sub-region.

The CNVRAC suggests that if the reader does not find the resource they are looking for in this guide that they contact Infoline (Dial 2-1-1), a free community service administered by the United Way of Connecticut. You can call Info line to get information pertaining to referrals for substance abuse and mental health services or to seek help in a crisis. Trained staff and immediate crisis counselor referrals are available 24 hours a day, every day of the year by dialing 1-800-203-1234 any time, day or night.

If you are seeking substance abuse treatment services outside of the state of Connecticut we recommend that you visit the United States Department of Health and Human Services, Substance Abuse and Mental health Services Administration's "Treatment Center Locator" website at <http://dasis3.samhsa.gov/>.

The information contained in this booklet is current as of December 2009. For further information or inquiries please feel free to contact the CNVRAC at 203.578.4044.

12 Step Recovery Resources

Alcoholics Anonymous: Alcoholics Anonymous® is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; they are self-supporting through their own contributions. AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Their primary purpose is to stay sober and help other alcoholics to achieve sobriety.

***See Appendix 1 for listing of Young People's Meetings throughout the State of Connecticut.**

Alanon and Alateen: for over 55 years, Al-Anon (which includes Alateen for younger members) has been offering strength and hope for friends and families of problem drinkers. It is estimated that each alcoholic affects the lives of at least four other people... alcoholism is truly a family disease. No matter what relationship you have with an alcoholic, whether they are still drinking or not, all who have been affected by someone else's drinking can find solutions that lead to serenity in the Al-Anon/Alateen fellowship.
